

The image shows a computer monitor displaying a software interface. The interface has a dark background with a prominent red horizontal bar. Above the bar, there is a grid of blue and white squares. The monitor is placed on a desk, and a keyboard is partially visible in the foreground.

Below the monitor, there are three horizontal lines of text, which appear to be a list or a set of instructions. The text is too blurry to read accurately, but it seems to be organized into three distinct lines.
