The first part of the book is a general history of the city of Boston, from its founding in 1630 to the present. It covers the early years of settlement, the growth of the city, and the various events that have shaped its history. The second part is a detailed account of the city's development during the 18th and 19th centuries, including the American Revolution and the Industrial Revolution. The third part is a collection of documents and records that provide a more in-depth look at the city's history.

The book is written in a clear and concise style, and is well-organized and easy to read. It is a valuable resource for anyone interested in the history of Boston, and is highly recommended.
