

QUESTION

A rectangular box is shown in the diagram above. The top surface of the box is labeled "top surface" and the front face of the box is labeled "front face".

The top surface of the box is a rectangle with a length of 10 units and a width of 5 units.

The front face of the box is a rectangle with a length of 10 units and a height of 3 units.

The box is shown in a perspective view.

The top surface of the box is a rectangle with a length of 10 units and a width of 5 units.

The front face of the box is a rectangle with a length of 10 units and a height of 3 units.

The box is shown in a perspective view.

ANSWER

10 units

The length of the top surface of the box is 10 units.
