

The diagram illustrates a layered structure with various components and labels. The layers are defined as follows:

- Layer 1 (Top):** A thin grey layer with a blue region on the right side.
- Layer 2:** A thick grey layer.
- Layer 3:** A thin grey layer.
- Layer 4:** A thick grey layer.
- Layer 5:** A thin grey layer.
- Layer 6:** A red layer with a white region on the right side.
- Layer 7:** A thin grey layer.
- Layer 8 (Bottom):** A blue layer with a white region on the right side.

Labels 'a' through 'h' are positioned at the corners of the structure:

- 'a' is at the top-left corner.
- 'b' is at the top-right corner.
- 'c' is at the bottom-left corner.
- 'd' is at the bottom-right corner.
- 'e' is at the top-left corner of the blue layer.
- 'f' is at the top-right corner of the blue layer.
- 'g' is at the bottom-left corner of the red layer.
- 'h' is at the bottom-right corner of the red layer.

A vertical dashed line is located on the left side, and a vertical solid line is on the right side.
