

The diagram illustrates a process flow. It starts with a rectangular box on the right, which is connected by a horizontal line to a small square on the left. This represents a transition from a state to another state. The text below the diagram is mostly illegible due to blurring, but it appears to describe the components and relationships of the system.

This section contains a single line of text, which is also illegible due to blurring.

This block contains two lines of illegible text.

This block contains several lines of illegible text, appearing to be a list or a series of related items.
